All Taylor Brand wanted was a baby of her own But at nearly forty and recently divorced, embarking on a solo trek on the Continental Divide Trail, her time was tight and her options slim. Maybe the curt cowboy who d been charged with watching out for her was her best shot. After all, Clint McAllister was shadowing her on a high-country horseback trip for the money. Would he be up for being hired for something else? Classy ladies like Taylor didn t normally give a rough rodeo-rider like him a second glancemuch less ask him to father a baby. And while Clint didn t need an excuse to take Taylor to bed, he did wonder if this plan was perhaps the wisest. Who knew what would happen once he got to taste the forbidden?.
