For Madison, who has suffered a terrible loss, life is No Longer Simple. The teenager and her family move from Michigan to West Virginia to get over the loss, but she is just starting her senior year in high school, which makes the change especially hard. Making new friends is easy compared to what is coming her way. Madison must juggle school, cheerleading, love, secrets, deception, as well as someone from her past showing up with unforeseen intentions. Maddy wants so badly to go back to having an ordinary life, but you can't always have what you wish for. The teen's life is about to get a lot more complicated in the stunning new novel No Longer Simple: The New Beginning and The Complication. About the Author: Melissa Gregory has been writing since she was eight years old. Her dad bought her a diary and told her to write down her thoughts and what she does every day. Ever since then, she has been writing. The author is currently a fifth...

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and he suggested this ebook to discover.
