CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 182 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Fifteen-year-old orphaned Sab-ra lives in the valley of Talin high in the eastern Mountains. Her People guard a blue diamond mine hidden above Talin in the mysterious Skygrass Valley. Brutal Kosi Warriors are kidnapping Talin's young women because their tribes' birthrate has fallen to an unacceptably low level. The Kosi need more children to become warriors. Talin's Elders train their children as spies to warn them of Kosi raids. They send Sab-ra to poison the Warriors, but the mission goes awry and the Kosi kill her spy young partner. Blaming Sab-ra, the Elders banish her to Maidenstone, a school located in the ancient city of Namch where she nurses her grievances and plans revenge. After learning the skill of mind reading, Sab-ra works with a Priestess who can see the future. She teaches Sab-ra to scry and they witness an invading Army coming to Namch. Sab-ra meets Captain Grieg, head of the invading force and his translator, Justyn. Grieg's military objective is to locate and plunder the diamond mine. He becomes obsessed with Sab-ra and plans to torture her into revealing the location. Sab-ra escapes and ascends the mountain to warn her people of the threat. Justyn, who has fallen in love with her, follows. He lets her know Grieg has sent soldiers on their trail. Desperate to escape the troops, Sab-ra stumbles into the Kosi Kings' citadel. To her dismay, Sab-ra finds herself incredibly attracted to the Kosi King and longs to experience his ancient culture. She also learns her Elders taught her many lies about the Kosi. Sab-ra must persuade her People to hire the Kosi warriors to defend the Skygrass Valley from the anticipated Army...
