The Curious Way to Peace and Happiness In every human being there exists an infinite source of peace and happiness. You were born with it. Your heart would cease beating and your mind would stop functioning without it. It is our common origin, the source of all life, that from which everything arises. Somehow, in the process of living, the knowledge of how to return and connect to the source, to the miraculous Heart of Life, has been misplaced. Returning to the Source is the hero's quest. It is the journey home to the font of our living being. And what we are seeking is The Holy Grail, The Secret of Life. This way is leading us rapidly to a dead end--to the unconscious creation of a living nightmare and the rapidly increasing likelihood of our annihilation in a nuclear or ecological catastrophe. But the other path at this Grand Junction leads to a change in individual consciousness that may allow us to create heaven on earth. This other way is The Curious Way, the philosopher's way of self-knowledge based upon the ancient observation that the unexamined life is unworthy living. The Curious Way leads us...
