To help every kid fall in love with at least one field of knowledge, our students must encounter our fields most galvanizing, tantalizing, and pivotal documents. This book is about making those encounters as compelling as we can make them. -Harvey Smokey Daniels and Steven Zelman We are specialists to the bone in science, math, social studies, art, music, business, and foreign language. But now, the Common Core and state standards require us to help our students better understand the distinctive texts in our subject areas. Nobody's making us into reading teachers, write Smokey Daniels and Steve Zelman, but we must become teachers of disciplinary thinking through our students reading. If this shift sounds like a tough one, Subjects Matter, Second Edition is your solution. Smokey and Steve, two of America's most popular educators, share exactly what you need to help students read your nonfiction content closely and strategically: 27 proven teaching strategies that help meet-and-exceed-the-standards how-to suggestions for engaging kids with content through wide, real-world reading a...
