Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *A New Family Encyclopedia: Or Compendium of Universal Knowledge* The First Edition of the following work, having met with a more flattering reception among its Patrons, than the most sanguine hopes of the Editor allowed him to anticipate, he has been encouraged to attempt several improvements in this edition. In making these improvements, the Editor has endeavored to render the plan of the work more simple - has erased such portions as appeared devoid of interest, or utility, and substituted therefor more than sixty pages, original matter, on topics, which, it is believed, will be found important in the view of those for whose benefit the work is designed. It has been the object of the Editor from the first to proceed upon the principle of selection and utility - to embrace so few subjects, as to enable him to enlarge upon them, according to their relative importance; and to treat of them in so plain and practical a manner, as to render the work intelligible and useful. By this means, he has been enabled, he trusts, in a measure to avoid a serious objection, which has sometimes been made to the portable Encyclopedias extant, that they embrace so great a variety of articles, as to render them little more than Dictionaries. A different course has been here adopted; and it gives the Editor pleasure to know that it has the sanction of a large portion of his patrons. To the friends, who have aided him, and lightened his task, he takes occasion to renew the expression of his thanks, especially to the author of the article on Horticulture. In respect to that article, the...
