

The Epistemological Function of the Thing in Itself in Kant's Philosophy

By Albert Ross Hill

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the Introduction. To Kant's mind, the failure of all previous philosophy to construct a permanent system, and the frequent return of scepticism as the prevailing attitude of investigators in that field, was due to what he conceived to be a vain attempt to establish knowledge on the assumption that our ideas of the object should conform to the nature of the object itself. He will proceed, accordingly, on the opposite assumption, viz., that the subject determines the object, that instead of our ideas being conformed to the nature of the object, the object of knowledge is itself determined by the manner in which the mind, by its very nature, receives and works up the materials supplied it. This change of standpoint led Kant to seek for the forms or modes of perception and judgment which guide us in the knowing of objects. And since these forms or modes, as belonging to the nature of the mind, determine the manner in which we perceive and know, it follows as a matter of course, thought Kant, that we...
