Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Common Years, Jilly Cooper, During the ten years she lived at the edge of Putney Common Jilly Cooper walked daily on this expanse of green. For most of the time she lived there she kept a diary, noting the effects of the changing seasons and writing about her encounters with dogs and humans. The book is a distillation of those diaries: an affectionate and enthralling portrait - warts and all - of life on Putney Common. Never has Jilly Cooper written more lyrically about flowers, trees, birds and the natural world; more tellingly about the sorrows - as well as the joys - of caring for dogs and children; or more outrageously about the gossip, illicit romances and jealousies of life in a small community.
