CreateSpace Independent Publishing Platform, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Caregivers and patients alike know that hospitals are places where breathing is often labored and rest is elusive. The distance between wellness and brokenness is razor thin and sharp. For patients and their families, an illness is a scalpel splitting the veil between what has been and what might be. During such times, thoughts and emotions do not ask permission; they come unbidden, stirring a yearning for insight into meaning and purpose, and a desire that there be more to life than another blood draw, another tasteless intravenous "meal," or another choice between a snake and a serpent. This book is both storybook and handbook. Every portion is part of a tapestry that comes from life. All vignettes are drawn from real situations, but details have been altered to protect confidentiality. The book presents a picture of people stretched and framed by life's circumstances. Spread out or wrapped up tightly, the fabric breathes. In and out, every thread dances in community whether colorful, tight, loose, somber or happy. On life's loom, praying and breathing are the warp and weft, intersecting in an ongoing dance of creativity. As elements of life, they are intimate, instinctual and energizing. The first portion of *A Bamboo Grove for the Soul* seeks answers to the question, *Where is God in this?* How God reveals the Holy Self in chaotic times and places is intimately surprising and profoundly transformative. When God's face appears to us in certain ways, our personal priorities shift both in how we pray and how we care for others and ourselves. In this section we look to the Creator as our greatest resource for healing human brokenness. The section concludes with "De-stressing in..."
