Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Compleat AnglerQ, Izaak Walton, Charles Cotton, John Buxton, The greatest classic of angling literature and a unique celebration of the English countryside, Izaak Walton's IThe Compleat AnglerR was originally published in 1653 and first appeared with Charles Cotton's continuation in 1676. No book, apart from the Bible and the Book of Common Prayer, has been more often reprinted. As a treatise on the art of fishing it has never wholly been superseded. For its advice on the catching and cooking of fish, the rules for baits, and the making of artificial flies, it remains a valuable and engrossing guide. As a graceful and affectionate portrait of rural England its charm is irresistible and in Walton and Cotton we could not wish for more congenial companions. This illustrated edition, with an Introduction by the novelist John Buchan, has been expanded and revised by John Buxton. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
