An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Paperback. Book Condition: New. Paperback. 382 pages. Angela Moore, an attractive and confident lawyer, masterfully maneuvers through a mans world a world created by men for men using her femininity to her utmost advantage. Comfortably happy and married to a cute, penniless but loving husband who is great in bed, Angela is a good bet for making partner at her firm next year. Indeed, she is well on her way to conquering the world when she finds it abruptly turned upside down: she learns that she is unexpectedly expecting a baby. With zero exposure to children and absolutely no idea how to raise an infant, Angela tackles the demands of motherhood while desperately trying to hang on to her first baby, the one which she has nurtured so well for so many years her career. Along the way she loses touch with her husband and unwittingly acquires an unwelcome but tempting admirer, further complicating an already thorny mess. At least she has her best friend Louise to help her sort things out or so she thought. Louise, married to an aging and increasingly disinterested real estate tycoon and hitting her sexual peak, toys dangerously with the idea of sleeping with her luscious young trainer. Meanwhile Angela, to her comically tragic undoing, turns herself into a walking pacifier for the sake of her exclusively breastfed baby and struggles to make it through each workday without getting fired. Still recovering from the physical ravages of childbirth, to inadvertently celibate Angela, her horny best friend resides on another planet where people still indulge in the alien ritual of sex. And just when things reach what seems to be an unbearable boiling point, Angela discovers the ultimate betrayal How will she ever recover This item ships from multiple locations.
