The Beginners Course to Becoming a Fluent Speaker, the Fun Way, is a language-learning audio course which has been reformatted to kindle, hardcover and MP3 versions and is unlike any other course you have done. Level 1 provides you with a strong and solid grammar base whilst giving you a taste of what REAL interactions and conversations are like among Spanish natives. Combining light-hearted banter, practical examples and authentic dialogues, with music and cultural references and a dash of mystery and thrill, the Audio Immersion Guide, a futuristic android with humanoid aspirations, and his human friends, will take you on a dive where you won t need to hold your breath. From identifying the sounds of the Spanish language, just like a native baby would do, to the moment where you would be equipped to visit the country for the first time, the pace and complexity of the course is tailored to the natural learning capacity of any adult in listening to a new language for the first time. So, don t miss out on the chance to truly learn Spanish, once and for all, the fun way and in less than a week. Get AUDIO IMMERSED today using the...
