Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Linguistics, printed single-sided, grade: 1,3, University of Potsdam, 4 entries in the bibliography, language: English, abstract: Introduction Several attempts have been made to analyse diminutives. This essay will provide a morphological approach. Morphology, the study of word-formation was influenced by three main sources in the past and each of these sources has contributed to the study of diminutives. Now, the three sources Bauer (1988: 5) and Schneider (2003: 29) mention are a) the philological grammar or traditional grammar, b) the structuralist schools of Linguistics or structuralism, and c) the transformational grammar or generative grammar. My analysis will be based on the approach Bauer (1988) made, and additionally on the approach Schneider (2003) made. This essay focuses on synthetic diminutive formation in English. Questions like what are diminutives, what grammatical approaches have been made to diminutives, what are its formation processes and what is the meaning diminutives convey, are treated in the first section. The second section deals...
