Treasury of Illuminated Borders in Full Colour

By -

Dover Publications Inc., United States, 1989. Paperback. Book Condition: New. 302 x 230 mm. Language: English . Brand New Book. The intricate designs of illuminated manuscripts are among the most beautiful art ever created -- were often adapted and reproduced as chromolithograph borders by Victorian artists. Inspired by the delicate age-old motifs, artists of the stature of Owen Jones created elaborate ornamental designs that graced the pages of books, periodicals, and journals with their detailed patterns. Now, many of these exquisite designs and beautiful patterns are available to today's graphic artists in this modestly priced, royalty-free collection. Carefully selected from rare nineteenth-century volumes and painstakingly reproduced in full, glowing color, the 48 plates in this magnificent sourcebook include lovely arrangements of leafy vines and tendrils, florals, interlacings, spirals, human figures, animals, and mythological creatures, as well as realistic and abstract patterns. A number of borders reveal a Medieval and Renaissance influence -- others, an Oriental and even modern touch.
