GROWING MONEY

Price Stern Sloan, 1999. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Growing Money answers all these questions and more: How do you read the stock pages? What's the difference between stocks and bonds? Is there an actual stock market? Why do stocks go up and down? How can I keep track of investments? What's a dividend? Can kids invest? Never before has the world of finance been so much part of kids' daily lives. Today there are even kid-friendly mutual funds and many math classes have student investing clubs. It's clear that youngsters want to know everything about money especially how to make grow! Growing Money will show them to do just that with easy information about savings accounts, bonds, stocks, and mutual funds; fun quizzes that reveal young investor's risk tolerance; and wild facts of success and failure, each with a lesson to impart. Best of all, Growing Money gives readers their own fund of imaginary dollars to invest, along with suggestions for selecting companies that are compatible with their values, tips for reading stock pages, and fill-in charts to trace their earnings and losses. The fundamentals of money management become child's play with this savvy, responsible guide for young consumers!
