Excerpt: .by when he can raise nothing but corn year after year, heap it up in pens and cribs, toss it out to his stock, then fold his arms, tilt his chair back, and take his ease. He cannot now pastures his cattle, sheep and hogs on the grassy highways, riding leisurely over the country a few days in summer to inquire after their spots and earmarks, at the same time chatting with all the farmers for miles around. His farming implements are no longer expected to winter themselves in the fields, nor his woodpile to depend upon logs snaked in over the snow. The farmer of today has shaken off his Rip Van Winkle sleep to open his eyes upon turnpikes, telephones and rural delivery. He is a man of books, of magazines, of daily papers, and when at evening he puts his slippers...

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
