

Zen: the Path of Paradox

By Osho

Griffin Publishing. Paperback. Book Condition: new. BRAND NEW, Zen: the Path of Paradox, Osho, In "Zen: The Path of Paradox," Osho suggests Zen as a possible bridge between East and West, and between the scientific and the spiritual. "Without science," Osho said, "the East has lost much; without meditation, the West has lost much. I am trying to bring together East and West, because together they will create the whole." Osho encourages the reader to throw off the accumulated "knowing" of a lifetime--to let go of physical, mental, and emotional tensions, to relax into the flow of an extraordinary discourse and become receptive to the present moment and the potential within.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
