## THE ARCHITECTS HOME

Taschen GmbH. Hardcover. Book Condition: New. Hardcover. 480 pages. Dimensions: 11.1in. x 8.8in. x 1.8in. Autobiographical homes: The houses architects design for themselves The greatest challenge in designing homes is negotiating the delicate balance between aesthetics and the personal desires of the occupants. While its important for the structure to reflect the vision and style of the architect, the client must ultimately feel at home beneath the roof. It is particularly interesting, therefore, to examine the homes that architects create for themselves. If houses reflect their owners personalities, then architects own homes are like autobiographies. Location, layout, style, lighting, artwork, furnishingsevery detail adds color to the story. Each of these dwellings, presented A-Z by architect, speaks more about its designer than any other building possibly could. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
