

Great Ideas Room of Ones Own (Penguin Great Ideas)

Filesize: 5.81 MB

Reviews

I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

GREAT IDEAS ROOM OF ONES OWN (PENGUIN GREAT IDEAS)

Penguin UK, U.S.A., 2005. Soft cover. Book Condition: New. 12mo - over 6¾ - 7¾" tall. 182x110x8 mm. Synopsis: Throughout history, some books have changed the world. They have transformed the way we see ourselves and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization, and helped make us who we are. Review: Surprisingly, this long essay about society and art and sexism is one of Woolf's most accessible works. Woolf, a major modernist writer and critic, takes us on an erudite yet conversational--and completely entertaining--walk around the history of women in writing, smoothly comparing the architecture of sentences by the likes of William Shakespeare and Jane Austen, all the while lampooning the chauvinistic state of university education in the England of her day. When she concluded that to achieve their full greatness as writers women will need a solid income and a privacy, Woolf pretty much invented modern feminist criticism.
