## HIGH SCHOOLS AND SEX EDUCATION: A MANUAL OF SUGGESTIONS ON EDUCATION RELATED TO SEX (CLASSIC REPRINT)

DOWNLOAD

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from High Schools and Sex Education: A Manual of Suggestions on Education Related to Sex The importance of education along the lines of what is sometimes called social hygiene has long been evident to all those interested in the welfare of boys and girls. It was the war, however, that revealed the immediate urgency of this work. Now as before it is essential, both for preventing the destructive venereal diseases and for insuring the best use of their creative impulses, that our boys and girls be wisely directed to an understanding and control of their sexual energies. The present book brings together in usable form a variety of material. It has been prepared on the basis of descriptions of work actually being done by high-school teachers in various parts of the country, replies to questions submitted to the Bureau of Education and to the Public Health Service by correspondents, and replies to questions most frequently raised at the forty or more conferences on sex education that have been held during the past three years. There is included an attempt to show the bearing of the whole problem of sex enlightenment and adjustment to the other tasks of the school, together with a variety of practical suggestions derived from many sources. We hope that this publication will be of substantial assistance to those high-school teachers and principals who are earnestly striving to make our boys and girls into more effective, more useful citizens, and that through the practical application of the methods which it submits it will contribute to the rearing of a healthier and happier generation. About the Publisher Forgotten Books publishes hundreds of thousands of...
