Brand New Book ***** Print on Demand *****.Surviving junior high! - The secrets of body language, listening and intuition. It happened the first time I stood on stage in front of the whole school. I thought that I was about to burst from all the pressure. To tell the truth I was so stressed out that I hadn't noticed that I really was bursting to do something else. and you really don't want to know what happened next. There are no two ways about it - our bodies talk to us and also talk to our environment about us! In this book you'll learn: How to interpret our intuitions How to understand what our bodies are telling us The secret of body language - the international language which isn't taught in any schools but can help you better understand what your friends are telling you, so you can work out what they really mean. Let's find out together what different movements or positions really mean, what lies hidden behind our words and how we can use our own body language to get what we really, truly want. This book, the third in the popular series, (the books can be read in any sequence) includes: True life stories about growing up! Tips, helpful rules, simple to do exercises! Fun test yourself questionnaires A personal journal All of which will help you discover what the popular kids already know the secrets of body language, listening and intuition.
