What would you do if you moved into a haunted house? The story you are about to read is true. In fact, it is the story of me and my family. I decided I wanted to move, but where should I move to? I decided maybe I should leave the city and look further up north. I never expected to come this far up, but here we are. They always say you never know what you're looking for until it hits you. One rainy Saturday morning, I took the trip Upstate, a three-hour drive one way, to meet with the real estate lady for another day of house hunting. Now my hunt was on, I knew I needed to contact the paranormal society to get help. I started going through the internet. I found a chapter in Pennsylvania that was able to help me. Join me as I tell our story of what life is like in a home inhabited...
