ECONOMICS: A BEGINNER'S GUIDE

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Economics: A Beginner's Guide, James Forder, Almost everyone appreciates that economics is important. Politicians are always making us promises related to the economy - 'no more boom and bust', 'we'll get out of this recession', 'the deficit will be wiped out by year X'. But what is economics really, and what is it that economists actually do? In this lively introduction, James Forder shows us what economics is and why it matters....
