

Buffett and Beyond: Uncovering the Secret Ratio for Superior Stock Selection + Website (2nd Revised edition)

By Joseph Belmonte

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Buffett and Beyond: Uncovering the Secret Ratio for Superior Stock Selection + Website (2nd Revised edition), Joseph Belmonte, Construct a portfolio that is sure to outperform market averages Warren Buffett had it right all along. Now it's your turn to learn how to construct a portfolio that is sure to outperform the market averages, as well as almost every professional money manager in the world. Warren Buffett's method of predictability can determine a future target price, which in turn determines his all-important purchase price. However, Buffett doesn't draw conclusions of his predictability method relative to the future total returns of portfolios. That's where Buffett and Beyond comes in, taking Buffett's method one giant step beyond, proving that if you select a portfolio of stocks using the predictability method in this book, you will outperform 96% of professional money managers over the long term. In addition to the information in the book, readers will have access to a password-protected website that includes tutorial videos, PowerPoint slides, free trial access to a video newsletter, and a trial subscription to the author's computer program, which follows the research presented in the book. * Explains...
