iUniverse, United States, 2009. Paperback. Book Condition: New. Bilingual. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****. A cute and charming addition to Yiddish folklore. -I.B. Singer, Nobel Prize, 1978 Juicy, savory, spicy. -Henry Miller The Yiddish sayings in this book have been praised by such world-acclaimed writers as Henry Miller and Isaac Bashevis Singer. They should equally delight all who can appreciate the coarse, wry humor of the turn-of-the-century European shtetl, which gave rise to so much of American humor as well. Some may be offended by their sexuality and lewdness, but they expose the basic humanity of a lost Jewish culture. For too long eydlkayt - refinement - has drawn a curtain over the smutty side of the shtetl. Enjoyable folklore, funny sayings you ll find yourself using in quite modern situations.
