

You Bet Your Life: A Toolbox for Making Life s Ultimate Decision

Filesize: 1.46 MB

Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be he best ebook for actually.

(Audra Hodkiewicz)

YOU BET YOUR LIFE: A TOOLBOX FOR MAKING LIFE S ULTIMATE DECISION

Createspace, United States, 2013. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This work is for the benefit of the modern skeptic that is open to possibly re-thinking their position and for Christians who have friends and family looking for a rational way out of their unbelief. The book starts with the indisputable: someday you are going to die. The question is, what s next? Since one s eternal state is forever, the thoughtful person should seek to obtain the best possible outcome. At one time religious traditions informed us about our fate, but the secular person has been cut off from traditional answers. One is left with the nihilism of scientific materialism or an irrational leap into mysticism. But perhaps today s most common alternative is to distract oneself with things of the world-entertainment, achievement, etc. At the beginning of the Enlightenment, the French mathematician Blaise Pascal noticed similar tendencies in affluent Paris. He was outraged that his friends would be so reckless with their souls. Framing his plea against the backdrop of Pascal s famous Wager, author Paul Ernst takes the reader through the cumulative case that a group of men and woman 2000 years ago were not merely pre-scientific and gullible, but were shaped by an event that would cause them to reject their own beliefs and give up everything for what they knew to be true. The early chapters are about establishing a method for evaluating truth claims and evidence. As most people do not have a clearly thought out worldview, Ernst lays out a simple but unexpectedly robust map for thinking about philosophical systems. The worldviews of Naturalism, Theism and Eastern Pantheism are set out so that the reader might be able to better identify...
