Excerpt: . . . 11 Now, the globalization of international financial markets has precipitated an increasing convergence between the Hong Kong market and the United States model of securities legislation. You have asked me to comment on our views of the Sarbanes-Oxley Act. My personal view is that it was a quick, decisive, and effective response to a potential erosion of confidence in the U. S. capital markets resulting from the scandals such as Enron and WorldCom. Many of us in Asia - actually, you know, I cannot speak for everybody, but I certainly admired and respected the speed, determination, and decisiveness that the U. S. legislature responded to restore investor confidence through the Sarbanes-Oxley Act. The Sarbanes-Oxley Act has heightened awareness around the world of the scope of the directors fiduciary responsibilities. It has also raised awareness of the need for better corporate governance and auditor independence, the need to improve oversight of the accounting and audit professions, as well as the need to strengthen the protection of investors interests. It is indeed a landmark and benchmark legislation against all other securities legislation of this type for which the rest of the world has to benchmark against. Now, market participants tell me that preparation to comply with the certification and internal control review requirements under Sarbanes-Oxley often identify control weaknesses that they would have not noted before. These are areas clearly where Sarbanes-Oxley made a significant and crucial difference, and also an important signal...
