THE COMPLETE GUIDE TO STARTING A HOME BASED BUSINESS

Friesenpress, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.During 2008 America was going through financial hardships. The way of life in America was changing. Things that were once taken for granted now became a reality. People were losing their jobs, their retirement nest egg dwindled down to nothing, 401Ks were being completely obliterated and any hopes and dreams for their children to have prolific lives was being swept away like the tide going out to sea. America was hurting, what would we do? What could we do? Well you could do like I did and become an entrepreneur. Start your own home based business. The opportunities are far and wide and in every niche. Find something that you always wanted to do and go for it. Grab the bull by the horns, take charge of your life and be in control of your destiny. With your own home based business you never have to worry about downsizing and being replaced (fired).
