A JOURNEYMAN TO GRIEF

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. The abduction of a young woman in 1858 ends in Toronto thirty-eight years later in murder. In 1858, a young woman on her honeymoon is forcibly abducted and taken across the border from Canada and sold into slavery. Thirty-eight years later, Detective Murdoch is working on a murder case that will take all of his resourcefulness to solve. The owner of one of Toronto s livery stables has been found dead. He has been horsewhipped and left hanging from his wrists in his tack room, and his wife claims that a considerable sum of money has been stolen. Then a second man is also murdered, his body strangely tied as if he were a rebellious slave. Murdoch has to find out whether Toronto s small colored community has a vicious murderer in its midst an investigation that puts his own life in danger. Maureen Jennings s trademark in her popular and acclaimed Detective Murdoch series is to reveal a long-forgotten facet about life in the city that dispels any notion that it really ever was Toronto the Good. As well, in A Journeyman to Grief, an exceptionally well plotted and engrossing story, she shows just how a great harm committed in the past can erupt fatally in the present.
