

## The Wayward Genius of Henry Mayhew: Pioneering Reportage from Victorian London

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## THE WAYWARD GENIUS OF HENRY MAYHEW: PIONEERING REPORTAGE FROM VICTORIAN LONDON

Hesperus. 1 Paperback(s), 2012. soft. Book Condition: New. A journalist and co-founder of Punch Magazine, Henry Mayhew (181287) shared his friend Charles Dickens's compassion for the poor. Over the course of a decade, Mayhew conducted hundreds of interviews with London's lower classes, creating a composite portrait of a vast but socially marginalized people. A sociologist before the term was even coined, Mayhew perceptively describes the home lives and worldview of these truly Dickensian individuals in such vignettes as "Disguising Badly Made Dolls," "Reusing Dead Eels," and "Clarinet Player Makes Own Teeth," but whenever possible, he lets the people tell their own stories. 171.
