Pokeweed Press, Canada, Canada, 2003. Paperback. Book Condition: New. John Bianchi (illustrator). 260 x 204 mm. Language: English . Brand New Book. Young Robin dreams of becoming one of the King's foresters but a single mistake changes his life forever. Goaded into shooting a royal deer to prove his skills as an archer, Robin is declared a criminal and is forced to flee to the safety of Sherwood Forest. There he finds dozens of others hiding from the evil Sheriff of Nottingham but, unlike the others, he vows to fight the injustice around him and help the less fortunate. The book relates some of Robin's classic exploits and introduces many of the Merry Band's characters while also presenting a story about correcting mistakes and defending honor. The illustrations capture some of the shadowy moodiness of earlier editions of this oft-told tale and gives Bianchi a chance to show off his incredible range as an illustrator who can bridge the gap between cartoons and classic painting.
