Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Since the earliest beginnings of the Christian Church, believers have gathered to worship God--Father, Son and Holy Spirit. They have expressed their faith by singing psalms, hymns and spiritual songs with gratitude in their hearts to God (Colossians 3:16). One of the best ways to learn about and enter into what Christians believe is to sing the classic, well-known, deeply-loved hymns of our tradition. Each chapter includes Scripture references and questions for reflection, making this an excellent resource for a small group study or personal enrichment. The current rediscovery of hymnology for worship will be greatly enhanced by this theologically astute yet highly practical volume of classic hymns. I hope, for the sake of the church's spiritual health, Unwearied Praises, will receive a wide readership. -Robert E. Webber, Author of Ancient-Future Faith and Blended Worship Jeffrey P.
