Working Course in English for the Public Schools (Classic Reprint)

By California State Teacher s College

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Working Course in English for the Public Schools A well-rounded presentation of reading requires the subject to be approached from two distinct points of view. In the first, methods are used to give the children a mastery of the technique of pronunciation. In this approach the New Education System or the Ward System of Rational Reading may be taken as a basis. In as much as drill in reading based on the phonetic method is apt to develop mere formal work, unaccompanied on the part of the child by an understanding of the sense, a wholly different approach to the reading lesson must at times be made. This approach is an attempt to lead the child into the lesson by making him appreciate its thought. The child should be induced to sense the thought behind the words. An appeal must be made to his experience to make him realize the thought. He should be led to see vividly the scenes portrayed by the sentences. Lessons in which the words convey even by their very sounds...
