In her final book, "The Miracle of Self-Love", she goes one step further and explains that love, friendship or wealth can only become a permanent fixture in your life once you have first learned to truly love yourself. With numerous practical tools, including self-love mantras and visualization exercises, this book teaches you how to cultivate a fundamentally positive and loving relationship with yourself so that you can know the miracle of self love, and the abundance of joy that it will bring to your life.
