The era of civilization has come to a close. Those consumed by the blight rove the Ontario wasteland, hungry for the flesh of survivors. THE END TIMES ARE UPON US Carey Cardinal and Keila Tindall have escaped New Braniff with their lives, but at what price, and for how long - none can say. Following the retreat of the decimated Canadian Forces, they find themselves in one of the last vestiges of humanity - Forward-Base Alexander. Only two other battalions remain - Camp Robinson to the north, and the fabled C-SOR JACKALS. SURVIVING THE OUTBREAK WAS ONLY THE BEGINNING The winds of fate blow without heed, sending past friends, new opponents and faint hopes into their path, clouding the already hazed road ahead. A solitary thread, taut to the breaking point, links them to the ones they seek. Only one thing is certain: Eventually, everyone dies. It s only a matter of how soon, and at which teeth.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
