

The Attributes of the Cultural Entrepreneur

By Nick Birch

GRIN Verlag GmbH Aug 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Essay from the year 2014 in the subject Business economics - Company formation, Business Plans, grade: 1.6, Central Queensland University, course: Cultural Entrepreneurship, language: English, abstract: For generations, Zen philosophy has taught the importance of finding tranquility inside yourself instead of foolishly seeking it in the world around you. One of the most profound teachings from this philosophy, and probably one that is most relevant to the entrepreneur, is that of ignoring doctrine and listening to your gut instinct. (Butt, 2014a) Google (N/A) defines entrepreneur as a person who organizes and operates a business or businesses, taking on greater than normal financial risks in order to do so, from the French entrepreneur, meaning to undertake and go between. Branagan (2003) outlines several critical success factors: being able to make connections and spot opportunity taking a creative approach to problem solving being able to cultivate networks of appropriate contacts being able to persuade, inspire and motivate others through enhanced vision the ability to take calculated risks and having the nerve to work outside convention...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
