Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Catholic Socialism The author of this book, who is Professor of Political Economy in the University of Naples, hardly needs to be introduced to English readers. He has contributed articles to the Economic Review, the organ of the Oxford branch of the Christian Social Union, and his work on Population has already been translated into English. The present volume, as he tells us in the Preface, is intended to form part of a critical study of all the important types of modern Socialism. In other words, this book is not, in intention, either Socialistic or Anti-Socialistic, either Catholic or Anti-Catholic, but an attempt to give an impartial statement of facts. The author has already shared the usual fortune of impartiality and has been attacked from both sides, being called an ardent Socialist by some and accused by others of anticlerical and bourgeois scepticism. The First Edition, published in 1890, attracted much attention in Europe, and several Catholic newspapers even recognised that it did something to hasten the publication of the Pope s Encyclical of May, 1891.
