AuthorHouse. Hardcover. Book Condition: New. Hardcover. 156 pages. Dimensions: 9.1in. x 6.1in. x 0.8in. Many young coaches, over the years have asked me, How does one climb the ladder in the baseball coaching profession This book will give you examples, through real life stories, on how you can move ahead in a coaching career. Someone has coined the phrase, Apples dont fall too far from the tree or He comes from good genes or good stock. These statements seem to indicate some successful endeavors are related, to some degree, to genetics. O the other hand, some doors may open because of the success of someone in the family. Not being an expert in genetics, lets leave this to speculation! In addition, networking and what it is and how it works will be discussed in The Mainieri Factor, and how it may open doors for you in the coaching profession. Getting your foot in the door is only the beginning, being successful and proving yourself at each level is paramount to moving up the later. This book will give general insight into ways in which you can prove yourself as successful coach. You will be judged as having been a successful coach if you are able to substantially improve the players skills from the time the players initially come under your tutelage. In the final analysis, the ultimate evaluation of you as a coach and leader will be directly related to your win-lost record! In addition, it is essential that you develop the total person so that your players have the tools to meet the vicissitudes of their daily living. The game of baseball is a great laboratory for developing these skills. After reading The Mainieri Factor, you should understand better how the road to success in coaching works. You should find...
