Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.From the time immemorial man is in the quest to know himself, his source and the destiny. The analysis of philosophical research started with the external nature. The search for the cause of creation was linked into the search of nature of a man himself. Is the man only a physical being? Or has a spiritual base? The new vista was opened with the study of man. How does he think? Is the power to think inherent in the mind itself? Does any extra power impel it to think? They wondered whether there was any first principle or Ultimate Reality underlying the world outside and also whether there was such a thing underlying man himself. If so, were two the same? They worked out the answers through the most rigorous way. They sought answers to the Truth in the depths of meditation. In the process man found God, religions and the spiritual system, in order to know experience the true self. Death is certain to come one day to all that is born. Whichever undergoes the process of birth has to meet the contrary phenomenon of death. It is the Matter that perishes. The individual Spirit will continue its journey with its level of performance (Karma) again. There is no difference as far as the soul. The death cannot be hindrance for his spiritual growth towards perfection. What is Death? Everyone knows for certain that all of us will have to take leave of our body we loved so much, one day sooner or later. The end can come in any form, illness or accident or some other way. There are no much questions about the death. But...
