

The Waterborne Blade

Filesize: 3.18 MB

Reviews

Here is the greatest book i have go through until now. It is actually writter in straightforward words and phrases rather than hard to understand. I am happy to let you know that this is actually the greatest ebook i have read during my own life and can be he finest book for possibly.

(Mr. Manley Strosin)

THE WATERBORNE BLADE

Watkins Media. Paperback. Book Condition: new. BRAND NEW, The Waterborne Blade, Susan Murray, The opening volume of an intriguing medieval fantasy series for fans of Trudi Canavan, Karen Miller and Gail Z Martin. The citadel has long been the stronghold of Highkell. All that is about to change because the traitor, Vasic, is marching on the capital. Against her better judgement, Queen Alwenna allows herself to be spirited away by one of the Crown's most trusted servants, safe from the clutches of the throne's would-be usurper. Fleeing across country, she quickly comes to learn that her pampered existence has ill-equipped her for survival away from the comforts of the court. Alwenna must toughen up, and fast, if she is even to make it to a place of safety. But she has an even loftier aim - for after dreaming of her husband's impending death, Alwenna knows she must turn around and head back to Highkell to save the land she loves, and the husband who adores her, or die in the attempt. But Vasic the traitor is waiting. And this was all just as he planned.
