

Gardening Myths and Misconceptions

By Charles Dowding

Green Books. Hardback. Book Condition: new. BRAND NEW, Gardening Myths and Misconceptions, Charles Dowding, Conventional wisdom is difficult to question, even when it is misguided and contains many contradictions. Gardening has its share of such 'myths' - some with discernible origins in history, others that have become established for no obvious reason - and they often obscure simpler and easier methods of working. This delightfully illustrated book reveals how common sense triumphs and crops are more successful when these 'rules' are overturned. A fascinating but practical book that will save the seasoned gardener time and give new gardeners heart.
