Peabody Publishing Company, United States, 2015. Paperback. Book Condition: New. Steve McGinnis (illustrator). 254 x 203 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Small! Small! Small! Pint-Sized Pauley is helplessly and hopelessly CHALLENGED - vertically, that is! He is the smallest boy in his village. All the other kids tease him saying, Pint-Sized Pauley - the smallest kid in Bali - Indonesia that is. And what's worse - Pauley doesn't like himself very much. In fact, he doesn't like himself at all! He wishes he was tall, but he's simply small. And so, he doesn't think he can do anything at all. Being small, however, takes on a whole new meaning in my book: *Pint-Sized Pauley and the Giant Volcano*. It is a lighthearted adventure for children (3-5); an unusual story of a pint-sized wonder who overcomes his limitations and discovers he can be happy just being himself.
