

Power Verbs for Presenters

By Michael Lawrence Faulkner

Financial Times Prent. Feb 2013, 2013. Taschenbuch. Book Condition: Neu. 228x152x17 mm. Neuware - Use 'power verbs' to make any presentation, speech, or business pitch more memorable, impactful, and dynamic -- and get what you want! If you're presenting, selling, or speaking in public, every word matters. But some words matter most of all: verbs. Verbs are the catalysts of sentences. Power verbs bring your sentences to life! (Conversely, dull and uninteresting verbs bore and alienate your audience, even if they have no idea why you're not getting through to them!) Now, in *Power Verbs for Presenters*, award-winning business communications expert and instructor Dr. Michael Faulkner shows you exactly how to choose action-packed verbs that electrify your communications. Packed with hundreds of verbs and phrases, this concise, easy-to-use guide reveals why certain verbs are so much more powerful, and provides sample sentences showing you exactly how to use them. Using Faulkner's verbs and real-world examples, you can supercharge in-person and written presentations; make more compelling sales pitches; get investors for your business plan; run better meetings; motivate others to participate in your events or contribute to your causes; become a more effective and successful student; influence others more powerfully, no...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
