Cambridge University Press. Paperback. Book Condition: new. BRAND NEW, The Comedy of Errors (2nd Revised edition), William Shakespeare, T. S. Dorsch, Ros King, Ros King, Brian Gibbons, The Comedy of Errors has been popular on the stage during the last three centuries and has proved itself admirably suited to adaptation as pure farce and musical spectacle. For this updated edition, Ros King has provided a completely new Introduction to the existing text and commentary, in which she argues that the play cannot be regarded merely as a farcical romp based on a classical model, but belongs to the critically misunderstood genre of tragicomedy. In stressing the seriousness which underlies the story, the Introduction picks out the play's religious imagery for special attention, whilst also engaging fully with the play's deft lightness of touch and its continuing popularity in the theatre. A fresh Reading List guides the reader towards further study.
