Brand New Book ***** Print on Demand *****.Have you been dancing with wolves? Discover what the Word of God has to say about false prophets and why they are absolutely terrified of you having this revelation. The church has been on the lookout for false prophets for quite some time now, and has been finding very little because they are looking for the obvious. Unbeknownst to the well-churched masses, a large network of false prophets has been growing and thriving, right under their noses. twisting the Word here, creating new doctrines there. like Pied Pipers, leading the mice away from the narrow path. The Word of God has a lot to say about this group of deceivers - first and foremost, that He doesn't want YOU to be deceived by them. Using the biblical principle that a matter is established by 2 or 3 witnesses (Deuteronomy 19:15, 2 Corinthians 13:1), Prophetic Masquerade provides ten rock-solid witnesses from Scripture to enable you to measure an alleged prophet. DO NOT be among those who are deceived by the false prophets in these Last Days. Let your mind be renewed by the Word of God and discern from the Scripture the wolves among the sheep.
